(5) I believe the rule is that charges on account of rent and dieting should be met out of Local Funds. In the Shimoga District Board budget for 1917-18, - there is provision made for house rent and dieting in respect of each of the dispensaries at Ananthpur, Megaravally and Humchadakatte which have been converted into semi-itinerant institutions. Why should not the District Board be asked to meet such further expenditure as it may be necessary to incur on account of these two items in the three dispensaries?

Senior Surgeon with the Government of

H. H. the Maharaja of Mysore, Bangalore:

To

The Chief Secretary to the

Government of Mysore,

Bangalore.

Sir,

I have the honor to state that the Medical Officers in charge of the Semi-itinerant dispensaries at Humchada-katte, Ananthapur and Megaravalli, during their itineration, often get cases which require continued treatment under proper observation, which could be given only by removing such cases to the headquarter dispensary but, no provision exists at present, in any of the places for accommodating in-patients or for meeting the cost of their diet.

The Malnad Improvement Committee, Shimoga District, in their resolution, copies enclosed, have recommended the renting of suitable buildings at each of the places, on a rent of Rs. 10/- each, per month, till wards for in-patients are constructed for the dispensaries and also a sum of Rs. 30/- per month ~~xxxxxxx~~ each, to meet the dieting charges.

I request that the proposal of the Malnad Improvement Committee, viz., to incur a cost of Rs. 10/- per month on rent and Rs. 30/- per month on dieting for each of the three semi-itinerant dispensaries which will meet a real and urgent want, may kindly be sanctioned.

The question of constructing in-patients wards for each of the institutions will be separately submitted

to

to Government after consulting the Public Works Department and the District Committee as to plans and estimates and means of meeting the cost.

I have the honor to be,

Subject No: 7. Chief Secretary's letter No.G.221/med 18-17-14 dated 6th July 1918 requesting to ascertain whether the District Board are willing to meet the extra charges incidental to the arrangement proposed for the treatment of inpatients in the new Dispensaries at Humchadakatte, Ananthapur and Megaravalli.

Resolution:- The District Board are at present paying the house-rent and dieting charges of these dispensaries annually as detailed below:-

	Annual allotment.	
	House rent.	Dieting charges.
1.Humchadakatte.	120/-	60/-
2.Ananthapur.	35/-	60/-
3.Megaravalli.	60/-	20/-

As such to allot a monthly grant of Rs.10/- towards house rent and Rs.30/- for dieting charges appears heavy and therefore an additional grant as detailed below may be sanctioned to meet the cost of making arrangements for treating inpatients in the dispensaries in addition to the present grant.

	Annual grant.	
	House rent.	Dieting charge.
1.Humchadakatte.	120/-	60/-
2.Ananthapur.	96 36/-	60/-
3.Megaravalli.	60/-	20/-

Further an additional annual grant of Rs.120/- for house rent and Rs.20/- for dieting charges may be allotted for the Local Fund Dispensary for a similar arrangement which appears to have been proposed by the Mainad Improvement Committee.
